Model	: SDVR-1504
Product Name	: 4Ch StandAlone DVR H.264

Features

- Video Compression format: H.264
- compression resolution: CIF
- Frame rate: 1~25 Frames (PAL)
- Video Input: 4CH CVBS, BNc, 1Vpp 75Ohms
- Video Output: 1CVBS or 1VGA output
- Video standard: PAL
- Audio: Compression format: G.722
- Audio input: 4CH, BNc
- Audio output: 1CH, BNc
- Network Connector: Ethernet 10/100Base-T, RJ45
- Protocol: UDP/IP,TCP/IP,IGMP (multicast), DNS&DHCP client, PPOE, DDNS
- Others: Web server, support IE viewing
- Support Multi-host management in client software
- Storage and backup 1X SD card, 2X USB
- 1X IDE, 2X SATA HDD Connect port
- Support high volume SD card (2GB), Suppot U disk, USB movable HDD
- I/O: Alarm input: 4CH alarm TTL input
- Alarm output: 2CH relay output
- RS485, 232, PTZ, Support USB Mouse control
- Management: Support remote control, Panel control and mouse control
- Build in web protocol, support Web server and client software management
- Power source: DC 12V 3.5A
- Consumption: <10W (not including HHDs)
